My Superman

Jesus

my Superman

my Rescuer

my Deliverer

I’m so weak

Save me from this evil world

I can’t save myself

I can’t fight Babylon on my own

I’m tired of its lies

I’m exhausted by its noise

I’m wounded by its hatred

come fly to me

comfort me

hold me

love me

rescue me

save me

let me rest in Your arms

please

my lord

take me away

let me fly with you

Remind me I am Yours.

Remind me I am safe with You

Teach me to trust You Superman

to fight my battles

i want to grip your hand

and never let go

I surrender to You

my Superman

my Lord

my Savior

Amen
